

QUALITY ♦ INTEGRITY ♦ PRODUCTIVITY

Dear Dave,

You did it again! Thanks for another entertaining and informative training session with our associates and managers. Your humor, experience, and delivery kept everyone's interest and I know left them with tools and knowledge that they can immediately put to use.

As you know, because of our strong company culture, we don't let many outside guests into our "inner-sanctum". Nonetheless, your willingness to study and educate yourself on our company, demonstrates your passion for training and commitment to deliver an effective seminar. Amazing how all it takes is a professional from outside the company (the Mid-West even) to get the troops to listen to some of what we say to them all the time; but with us it only falls on deaf ears.

Thanks for a great job reaching the crowd; I've promised them we'd have you again.

Best wishes for continuing success,

Patrick Conner
